Project Rachel Support Group

Abortion is one of the most common procedures in the U.S., experienced by millions of women, many of whom are Catholic. Abortion creates a wound in post-abortion women (and men), resulting in spiritual and emotional problems. The Project Rachel ministry assists women and men who have been wounded by abortion to find truth and healing. There is a confidential support group beginning in the Triangle area in late September. If you have experienced an abortion and would like more information about the support group, contact Project Rachel at (919) 852-1021 or Project.Rachel@raldioc.org. For more information, go to <https://rachelinc.org/> (website). Calls and appointments are kept strictly confidential.
